OTHER OFFERINGS OF PIM

With over six decades of proven experience in the management development field, PIM is in a unique position to provide solutions to all organizational problems and challenges.

PIM offers diploma and certification programs in the evening and on weekends, in various fields for professionals who want to upgrade their knowledge and skills in their area of specialization.

PIM E-Learning platform identifies and assesses organizational learning or training goals, delivers instructional content, tracks the progress, evaluation of meeting those goals, and consolidates data for supervising the learning process of the organization as a whole.

Pakistan Institute of Management has been licenced under Pakistan Engineering Council (PEC) Professional Development of Engineers by elaws-2008, to carry out Continuing Professional Development (CPD) activities to the Registered Engineers (RE) and Professional Engineers (PE).

We design and conduct management training and development programs tailored to meet the needs of the organizations. The customized programs can be conducted either at PIM or at a location chosen by the client.

PIM MEMBERSHIP PLANS

PIM offers Membership Programs for organizations and individuals providing various benefits to the members. The corporate membership is offered in four categories that are *Diamond, Platinum, Gold* and *Silver* with the option of subscribing either lifetime or annual membership. Membership benefits include complimentary trainings, special discounts in PIM programs, and other benefits.
